What does it cost? Nothing, we just want the guys to have a chance to fellowship and grow. There will be free-will offering baskets out for the meals, but guests are not obligated to make a donation.

What should I bring? If you are interested in swimming or water activities please don't forget your suit and towel. Any guys wanting to ride horses will have to wear long pants and close toed shoes for the ride. Minors must have a horse form signed by a guardian to ride. Forms are available online. Weight limit for riding horses is 240lbs. The zip line also requires a close toed shoe.

Do I have to preregister? No, you don't have to preregister but it will help us with our planning. If you know for sure you are coming please register on our webpage or call our office.
